Who is Optima Solar Systems Limited?

Optima Solar Systems Limited provides a full suite of solar energy solutions, hybrid inverter installations, lithium-ion battery storage, and home security systems in Accra and across Ghana. Each service is designed to ensure energy independence, reliability, and maximum cost savings for our clients.

What is Optima solar?

Optima Solar provides advanced lithium-ion battery storage solutions for clients looking to store excess solar energy for later use, such as at night or during grid outages. Our lithium-ion batteries are known for their longevity, reliability, and low maintenance, making them an ideal choice for both residential and commercial installations.

Does Optima solar systems offer insurance?

To protect your investment, Optima Solar Systems provides comprehensive insurance and maintenance services. This includes a 12-month complimentary insurance policy for all new installations, covering theft, flood, fire, and other potential risks.

Why should you choose Optima solar systems?

By choosing Optima Solar Systems, you're investing in a reliable, eco-friendly energy solution tailored specifically to your needs and supported by unmatched expertise and care. We understand that affordability is key to making clean energy accessible.
