

Azerbaijan electrical cabinet outdoor

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What types of outdoor electrical enclosures are available?

Our offerings include powder-coated galvanized steel, stainless steel, and marine-grade aluminium outdoor telecom, electrical or ESS battery storage enclosures. We supply outdoor electrical enclosures and electrical cabinets for low-voltage switchgear and control gear assemblies.

What types of enclosures does Aze offer?

As the manufacturer of standard and custom NEMA enclosures and cabinets, AZE offers an extensive line of outdoor communication enclosures in 3R through 4X, for telecommunication, aerospace, and industrial applications. Our NEMA 3R to 4X enclosures are designed to handle harsh environments and extreme weather climates.

How many sales centers are there in Baku?

The company has 3 sales centers in Baku. Each of them is engaged in the sale of electronic and electrical equipment and provides equipment of any type, and sphere. Our main goal is to find high-quality goods and apply the most advanced technologies.
