

Azzurro solar Kosovo

What is Kosovo's solar energy project?

The project is the largest solar energy investment in the district heating sector in the region and one of the largest solar power plants in Europe. As such, the project marks an historic moment on Kosovo's path towards a decarbonised energy system in line with the Paris Climate Agreement.

Will Kosovo become the first economy to use solar power?

Kosovo will become the first economy in the Western Balkans region to use solar power to heat homes. The Ministry of Finance, Labour and Transfers signed a financing agreement on the Solar4Kosovo district heating project on behalf of Kosovo in Pristina today.

How much will Germany contribute to Kosovo's solar energy project?

The EU's contribution to solar heating and electricity projects in Kosovo will total almost EUR56 million. "Germany has supported Kosovo in its transition from coal to sustainable energy and decarbonisation in accordance with the objectives of the Green Agenda for the Western Balkans," said Germany's Deputy Ambassador to Kosovo Matthias Conrad.

How will the EU support the energy transition in Kosovo?

The EU will support the energy transition and sustainable development of Kosovo through another 100-megawatt solar electricity project with the Kosovo Energy Cooperation." The EU's contribution to solar heating and electricity projects in Kosovo will total almost EUR56 million.

Who is Unisolar?

Based on previous personal experiences in energy systems and having it all the necessary European qualifications for photovoltaic systems, the two co-founders established company Unisolar L.L.C., with the aim of reaching the heights of a successful business in the field of renewable energy in Kosovo and wider.

How Unisolar is developing our country?

Here you can see how we are developing our country, with the tireless work of our team ... Unisolar LLC, was founded in January 2021, by electrical energy engineers and the renewed one: Mr. Bujar Guçi in Kosovo. Unisolar LLC was founded seeing the need for a serious company, which would be closer to the customers in the field of renewable energy.

Kit Fotovoltaico Completo - ZCS 6 kW + 10 kWh con Inverter Ibrido e Batteria 6kWh. Il kit fotovoltaico completo 6 kW + 10 kWh è un sistema all-in-one progettato per fornire energia indipendente e affidabile. Il cuore del sistema è ...
