

Bat safe lipo battery charging safe box CuraÃ§ao

What is a bat-safe Lipo charging case?

The Bat-Safe LiPo Charging Case is a simple and effective solution for charging and storing LiPo batteries. If you have an R/C model, chances are you own at least one lithium battery. Lithium batteries are an integral component to surface and air models.

Why should you use bat-safe?

Look no further than BAT-SAFE - the ultimate solution for anyone who values safety and peace of mind while charging their batteries (LIPO and LI-ION). If you're into drones, FPV or RC, or using lipo batteries in other applications, you know that there's always a risk of fire when charging.

Is bat-safe a fire hazard?

If you're into drones, FPV or RC, or using lipo batteries in other applications, you know that there's always a risk of fire when charging. But with BAT-SAFE, you can rest easy knowing that your batteries are protected by its double-walled insulated steel construction and flame arrestor.

How does bat-safe work?

The smoke and soot is filtered through a built in flame smothering filtration system to protect the area from odor and a majority of the smoke damage that can occur from a battery fire. Plus, Bat-Safe is light weight, easy to use and most importantly, inexpensive! The Bat-Safe is cheap insurance for anyone who uses lithium batteries of any size.

What is a LiPo battery box?

Unlike a metal box, these are vented and will not blow up on you (like an ammo can), are insulated (so you can handle them while the battery is burning inside), and have a filter system (prevents the soot and odor emitted from a LiPo fire from damaging the room where the battery fire happens).

How many Mah does a bat safe X large take?

Charge and store up to a 6 piece 6S 5000mAh equivalent (1100Wh) safely inside the BAT-SAFE X large. Prolonged balance cables may be necessary to use the BAT-SAFE X large with your existing charging equipment. X large requires 2 prolonging sets. Material: Steel sheet, non-flammable insulation materials, CE certified.

**** NOTE - This product helps but does not replace proper safe battery charging techniques.
