Bluewater Energy Services |29,664 followers on LinkedIn. Bluewater specializes in the design,lease,ownership and operation of Floating Production Storage and Offloading (FPSO) vessels; and the design and supply of advanced turret mooring systems and CALM Buoys.

What services does Bluewater provide?

The company also provides operational and logistic management and support for FPSO and FSO systems. Since 2006 Bluewater has developed various technologies for renewable energy.

Is Bluewater Energy a good solar company?

Bluewater Energy did a great job installing the system, in fact they stepped in when the first company I hired went bankrupt and got my system installed on time and on budget. It was a truly remarkable feat. They really are a professional outfit, the best in the business. I can't say enough about solar power, and Bluewater Energy.

How can I contact Bluewater Energy?

Bluewater Energy can be contacted at Phone: 678.594.2058or via Email: info@bwes1.com. Their address is 4250 Industrial Center Lane,Acworth,GA 30101. Bluewater Energy. All rights reserved. |Privacy Notice

Who is the majority owner of Bluewater Energy?

Bluewater,the new name for Blue Water Energy,has been the majority owner of Bluewater Energyfor the past five years. During this time,Teesside-headquartered Bluewater Energy has trebled its revenues and increased Ebitda to more than £15 million from £2m the year before the acquisition.

Why should you choose Bluewater Energy?

The quality and attention to detailwith the installers at Bluewater Energy has turned our roof solar projects into prideful showpieces. It is rare to find a partner who works with such full-rounded integrity - both in their product and their customer experience. From permits to paychecks,everything was taken care of.
