

Canada oeg energy group

What does Ontario Energy Group do?

Ontario Energy Group offers sales, rentals, and financing of energy-efficient HVAC appliances, including gas furnaces, water heaters, and more.

Who is OEG renewables?

OEG Renewables is a frontrunner worldwide supplier offering customised services for offshore wind farms. A transformative year defined by continued strategic growth and diversification. OEG Energy Group is pleased to provide a full year update for 2023, and outlook for the year ahead.

What did OEG energy achieve in 2023?

2023 was a year of strong financial performance and acquisitive growth for the OEG Energy Group, achieving the key milestone of 50% of Group revenues derived from the Renewables division, while continuing to pursue an ambitious growth strategy underpinned by an expanded service offering, robust market drivers and a commitment to innovation.

Can a class member take part in Ontario Energy Group Settlement?

Class Members can click here to register to receive updates. Class Members may be able to take part in a proposed \$14.95 million settlement that, if approved, will end claims that Ontario Energy Group duped consumers into misleading and illegal contracts for home equipment, such as water heaters, air conditioners, and furnaces.

Did Ontario Energy Group slap liens on homes?

In addition, the company that purchased the contracts from Ontario Energy Group, Home Trust Company, allegedly slapped liens on the titles to consumers' homes. The class action lawsuit accused the company of violating Ontario consumer protection laws.

When will the Ontario Energy Group Settlement open?

ONTARIO ENERGY GROUP SETTLEMENT UPDATE: The Court approved the settlement Oct. 21, 2021. The claim period is expected to open by the end of 2021 or in early 2022. Class Members can click here to register to receive updates.
