Take our quick questionnaire to create a custom solar panel kit based on your energy needs.

Targeting end of month launch, this is 10 months in the making, but my second attempt at doing it. The first attempt went pretty okay for something put together in a few months, but the backend was a complete mess and adding products was absurdly difficult, scraping was pretty limited, and then I got a job and completely abandoned it (you can still see some of the pages if you ...
