

What should a business owner know about Eswatini?

In Eswatini, contracts should be clear in their terms and conditions and should comply with local laws to avoid any issues during execution or enforcement. Another important aspect is employment law. Business owners need to be aware of their obligations towards employees, which include adhering to the Labour Relations Act and the Employment Act.

Why is Eswatini business law important?

Engaging with legal professionals aptly versed in Eswatini's business law is advisable for anyone planning to start a business in the country. This preparation is essential to navigating the complexities of establishing a successful and legally compliant business.

How to start a business in Eswatini?

Starting a business in Eswatini requires navigating a systematic registration process, crucial for legal compliance and operational legitimacy. First, aspiring entrepreneurs must choose a suitable business structure, such as a sole proprietorship, partnership, or company.

What is Eswatini known for?

Eswatini, formerly known as Swaziland, is a small, landlocked country in Southern Africa that offers a unique landscape for entrepreneurship. With a population of approximately 1.2 million people, Eswatini has a developing economy characterized by agriculture, forestry, and manufacturing sectors.

What is the corporate tax rate in Eswatini?

The country imposes a corporate tax rate of 27.5% on the profits generated by businesses. This rate is central to the financial obligations that any company must prepare to meet upon establishment. In addition to corporate tax, businesses in Eswatini are also subject to Value-Added Tax (VAT), currently set at a standard rate of 15%.

What is the legal framework governing business operations in Eswatini?

In Eswatini, the legal framework governing business operations is rooted in various statutes and regulations that establish the foundational principles for corporate entities. Key legislation includes the Companies Act, which stipulates the formation, operation, and management of both local and foreign businesses.
