

Congo Republic aggrego company

Where is Aggreko located?

Aggreko is a global supplier of mobile and modular power, temperature control equipment and energy services, headquartered in Glasgow, Scotland. The business was founded in 1962 and previously listed on the London Stock Exchange from 1997 to 2021. Aggreko was acquired by TDR Capital and I Squared Capital in August 2021.

What is Aggreko Power?

Aggreko is the world's largest temporary power company. It has more than 10 gigawatts of power across its fleet globally. The company employs over 6,000 people and operates across the world in more than 200 locations in 80 countries and has offices in every continent.

When did Aggreko become a company?

Aggreko was founded in The Netherlands by Luc Koopmans in 1962. It moved to Scotland in 1973. In 1984, it was acquired by Christian Salvesen plc in 1984, a Scottish transport and logistics company. In 1997, the business demerged from Christian Salvesen and then listed on the London Stock Exchange.

Who is the CEO of Aggreko energy?

In November 2021, the company appointed Blair Illingworth as its chief executive. In September 2022, Aggreko launched a new business unit in North America called Aggreko Energy Transition Solutions, which will develop, own and operate clean energy and sustainable infrastructure.

What makes Aggreko different?

Aggreko offers several greener and cleaner HVO and solar powered generators and hybrid batteries that emit less emissions. Aggreko has supplied power to sporting events including the Ryder Cup, the FIFA World Cup, Formula E motor racing and SailGP.

What happened to Aggreko Energia?

In March 2012, Aggreko acquired 100% of the operations of Poit Energia, a supplier of power generation equipment in Latin America. In 2014, the company announced the departure of its chief executive Rupert Soames. He was replaced by Chris Weston, who took up the position in early 2015.
