HACIENDA COPEY was found in 2011 with the aim of "producing high-quality specialty coffee" in the
Tarrazu district of Costa Rica. We have won the Cup of Excellence twice in the past and combine rare terroirs,
attractive varieties centered on Geisha, and various processing methods to produce coffee with complex tastes.

Costa Rica's eco-tourism experiment offers a path to recovery for the rest of the world. Over the past years
nearly every single local guide we've used to lead groups through mountains, forests and deserts has
commented to me on the changing and increasing unpredictability of weather patterns, and I can see the
effects of global warming for myself, increasingly both in person ...

Los paneles solares cargan el banco de baterías con la energía solar producida, por lo
que las baterías almacenan y suministran electricidad cuando sea necesario. Como parte
de cualquier sistema fuera de la red, recomendamos instalamos baterías de litio-hierro-fosfato de alta a
baja capacidad. Una gran ventaja de este tipo de alta ...
