Where can the Ecoplant be found in Curacao?

The Ecoplant is a fully solitary power plant that can be placed in Curacao anywhere you like, such as the beach, parking lot, or even in your garden. The Windwokkel(TM) delivers enough energy for an average household in Curacao. It can easily be installed on your flat roof top or on any pole with a height between two to four meters.

How does Ecofarm Curacao operate?

Ecofarm Curacao operates as a distributor and has expertise in the areas of sun, wind, and storage. We work together with local installers on Curacao. After an inventory check, we will sit down with you to discuss your wishes and create an action plan.

Curaçao taxes solar energy generation - you pay a monthly fee for owning solar panels (like a 100 NAFL). These changes also meant that instead of earning back the investment in 3 years, it was a period of 10 years. However, last year they returned the compensation for solar power generation and halved the solar energy tax.
