

Eastman battery Pakistan

Are Eastman solar batteries BIS certified?

Yes, Eastman Solar Batteries are BIS (Bureau of Indian Standards) certified, ensuring compliance with safety and quality standards for solar energy storage solutions. What is the warranty of Eastman Solar Batteries?

Are Eastman solar batteries good?

Additionally, they offer an impressive 5% extra capacity and backup compared to their rated capacity, ensuring reliable and efficient power storage for solar applications. What is the highest warranty of Eastman Solar batteries? The highest warranty for Eastman Solar batteries is 120 months.

Why should you choose Eastman batteries?

Eastman's range of Tubular Batteries, Lithium Batteries, and Inverters has revolutionized our business. Their commitment to quality and innovation ensures our clients receive the best energy solutions available. Eastman Tubular Batteries offer unmatched durability and performance, ensuring our customers enjoy reliable power for longer.

Are Eastman e-rickshaw batteries good?

With Eastman, expect nothing but the best mileage for your e-rickshaw. Our batteries are meticulously crafted to go the extra mile, making sure your rides are efficient and cost-effective. Trust Eastman for a seamless e-rickshaw experience. Discover the power of quality, reliability, and performance with Eastman's E-Rickshaw Batteries!

Does Eastman provide AMC services?

Yes, Eastman provides AMC services for hassle-free product maintenance. You can inquire about AMC by filling out an enquiry form on our website, and our support team will guide you through the process. For detailed information, reach out to us at support@eaplworld.com How can I book a service or repair request online?

What is the maintenance cost of Eastman Gel battery? Eastman Gel Batteries are spill-proof and maintenance free. In what kind of environment should I store the gel battery? The battery should be charged and discharged in the fully ventilated area. This will avoid risk of fire or explosion in case of any spark or fire.

Eastman In Nigeria. Eastman is the leading brand of Battery and Inverters in Nigeria - marketed, distributed and serviced by Infinity Group. Eastman has shaped a global footprint in over 62 countries with 2200 dedicated local distributors and dealer networks.

EM-200SMF The EM200SMF is a 12V tubular battery designed for robust energy storage. Offering a rated capacity of 200Ah @ C20. With compact dimensions of 518mm*272mm*279mm, a gross weight of 63.3kg, and L-type terminals, it ensures durability and efficiency for various energy storage needs.
