Outdoor Electrical Enclosures. Bud has many options for selecting an outdoor weatherproof electrical enclosure. Outdoor waterproof enclosures have all the protection of indoor only NEMA or IP rated enclosures but also protect against the extremes of weather such as rain, snow or sun while protecting circuit boards, wiring, and electrical components from environmental hazards.

The reliability of electrical equipment is directly related to operating temperature, and in many instances, outdoor electrical enclosures should be equipped with enclosure air conditioners to ensure their temperature is kept below the maximum allowed equipment temperature. Thermal Edge enclosure air conditioning solutions are robust, reliable ...
