

# Ess safety Iraq

Why do we need a labour inspection system in Iraq?

It is very reassuring to have policies in place, which will contribute to modernizing the labour inspection system and provide guarantees for protection of the workers. It is an important element for the socio-economic development of Iraq," said EU Delegation to Iraq Chargé d'Affaires a.i. Agne Gleveckaite.

How does the EU-supported project contribute to the socio-economic development of Iraq?

The EU-supported project contributes to the socio-economic development of Iraq through enhancing the application of International Labour Standards and national labour legislation and promoting social dialogue, social justice, and decent work.

What is a Labour policy in Iraq?

The project is building the capacities of government staff and social partners on these issues and on fundamental principles and rights at work, to promote compliance with national labour legislations and International Labour Standards. "The policies focus on labour inspection, working conditions and Occupational Safety and Health in Iraq.

Who signed the Iraq policies?

A signing ceremony of the policies took place in the presence of Minister of Labour and Social Affairs Ahmad Al-Asadi, Minister of Labour and Social Affairs of the Kurdistan Region of Iraq Kwestan Mohammed, ILO Country Coordinator in Iraq Maha Kattaa, and EU Delegation to Iraq Chargé d'Affaires a.i. Agne Gleveckaite.
