

Eswatini solar battery kit

Solar Products Distributors Distributors are those companies working as big warehouses that served as the middlemen between the consumer/customer and the manufacturer. Typically, in distribution, a company is handling the sourcing, stocking and logistics but nowadays they are also helping manufacturers in product designing and solving other business conflicts. Aside ...

Frazium Energy has signed a contract with the Eswatini government to develop a solar PV and storage project. The first phase is expected to consist of a 25-30MW solar PV component with a 100MW lithium-ion battery, supplying about 100GWh/yr at a cost of \$115m, according to chief executive Robert Frazer.
