

First power group American Samoa

American Samoa - Polynesian, US Territory, Traditions: The Samoan islands were settled by Polynesians (probably from Tonga) about 1000 bce. Many scholars believe that by about 500 ce Samoa had become the point of origin for voyagers who settled much of eastern Polynesia. The Dutch navigator Jacob Roggeveen sighted Samoa in 1722, and other ...

American Samoa. The principles of Samoan power relations described by Shore (1982) remain fundamentally accurate today. Several aspects are relevant for understanding the context of the ceremony described later. First, power balancing is deeply embedded in Samoan culture and this love of balance and symmetry is reflected in Samoan arts, crafts ...
