The average price of winning projects in France's latest tender for utility-scale solar projects has slipped by 3% from the previous call, with awards totalling 636.7 MWp. Search Alerts

As electricity prices continue to soar in France - up 60% in four years - more people are turning towards solar panel kits, which promise to help users save on energy costs and installation prices. The estimated extra cost of ...

I've been eyeing this watch and similar looking panda dial watches for a couple of years now. I've always wanted a panda, I don't know why but they just make for such an attractive summer watch. Most panda watches I was looking at were out of my budget, often costing over #163;300, until I saw this. An absolute bargain at #163;179.
