

French Southern Territories ecotech energy

technology utilizing Control4 ...

Welcome to Ecotech Energy. A renewable energy engineering company servicing Southern Africa. A division of Ecotech Engineering Pty Ltd. We have a passion for renewable energy and the benefits this brings to us all. Energy security has become one of the leading global issues of our time and is high on the agenda of most governments around the world.

The Jakson Group, an Indian energy conglomerate, will invest US\$240 million to establish a 2.5GW solar cell manufacturing facility in India. It will also expand its module assembly capacity to 2GW.
