What is Pelican Energy Partners?

Pelican Energy Partners is a highly specialized private equity firm focused on making strategic investments in energy services and manufacturing companies.

Does GSE Systems (GVP) have a merger with Pelican Energy Partners?

GSE Systems (GVP) has provided an update. GSE Systems, Inc. has announced an amended merger with Pelican Energy Partners, offering stockholders a 69% premium over the closing price as of August 7, 2024. This all-cash transaction, valued at \$4.60 per share, has been unanimously approved by GSE's board.

Is Pelican a growth equity investor?

As growth equity investors, Pelican is dedicated to expanding nuclear energy services to support the sector. Completion of the transaction is expected in the third or fourth quarter of 2024, subject to the approval of GSE shareholders and the satisfaction of other customary closing conditions.

How does Pelican identify strong companies?

Pelican Energy Partners identifies strong companies with EBITDA generally between \$1 million and \$15 million annually. We have the ability to consummate transactions with EBITDA up to \$30+ million.

Will Pelican acquire GSE?

Under the terms of the merger agreement, which was unanimously approved by the board of the directors of GSE, Pelican will acquire all the outstanding shares of GSE for an estimated total cash consideration of \$4.10 per share. The consideration per share represents a premium of approximately 50% to GSE's closing share price as of August 7, 2024.

Why should you invest in GSE & Pelican?

GSE has an excellent reputation in the market and provides a critical service that will benefit from new plant development and existing plant upgrades and extensions. As growth equity investors, Pelican is dedicated to expanding nuclear energy services to support the sector.
