GRID-TIE WITH BATTERY BACKUP. The Grid-Tie With Battery Backup system can also push excess electricity produced to the electric utility grid but has the added feature of batteries in order to power some selected backup loads when the grid is down. With this benefit comes increased complexity, cost and maintenance requirements. 3. PV System:

Home Grid Solutions is een prachtbedrijf. Perfecte en accurate info en dito levering en plaatsing. De Afspraken werden perfect nagekomen tot en met het allerlaatste punt. Wat een genoegen om met Frédéric te werken en om elke dag terug naar deze top installatie te kijken. We hadden het in deze tijd niet meer voor mogelijk gehouden.
