Hungary and China are joining forces to construct one of Central and Eastern Europe"s largest solar energy storage facilities. The aim is to double Hungary"s energy storage capacity and boost the role of green energy.

Hybrid Greentech har valgt at donere de 30.000 kr. til ENGIE Energy Access i Kenya gennem Carbon Clear, der laver off-grid energiløsninger i Kenya ved at distribuere solcellekit til landdistrikter og andre off-grid områder. Dermed får flere adgang til elektricitet uden at være bundet op på fossile brændsler.
