The final leg of the 75th Anniversary tour for Kee Controls a& Kerr Smart Energy kicked off today in Sudbury, ON. What a great turnout. Thanks everyone for coming out and celebrating with us!

For years, I have been hoping to collaborate with my dear friend Carys Craig, a copyright expert and rockstar Prof at Osgoode Hall professor whose work I have admired for years. In this early draft, we confront the issue of AI authorship. In a world where robots are writing movie scripts and composing music, much of the second-generation literature on AI ...
