Alen Gas Monetisation Project. The Alen gas monetisation project, located offshore Equatorial Guinea, produced the first gas in February 2021. Noble Energy, which was acquired by Chevron in October 2020, is the operator of the Alen natural gas development project.

Will Equatorial Guinea fulfil its promise as a gas "mega hub," or will stalled negotiations turn what should be a national economic boon into a missed opportunity? The answer depends largely on how quickly the country can nail down gas supply agreements from Nigeria and Cameroon. Right now, things don't seem to be moving nearly fast enough. Will ...

A través de un comunicado hecho oficial al público, el Departamento de Recursos Humanos de la empresa Noble Energy EG anuncia al público interesado sobre la necesidad de contratar a un Supervisor de Compras. De acuerdo al referido comunicado, los candidatos pueden depositar sus expedientes en la sede nacional de la empresa, sito en

Key assets like Equatorial Guinea's Ceiba field and Gabon's Nyonie Deep 1 are poised to drive output, drawing interest from companies such as Perenco and Capitaïne Energy. As energy security concerns grow, Gabon recently blocked an Assala oil asset deal to safeguard production, underscoring the stakes.
