

LESSO solar Vietnam

Who is LESSO solar?

LESSO Solar is a comprehensive new energy group specializing in research, production, sales, and service. Our business includes centralized ground-mounted, industrial, commercial, and residential solar solutions.

What is LESSO Singapore?

LESSO Singapore: This branch is a key hub in the Asia-Pacific region, focusing on market expansion, technical support and regional partnerships. With five production bases totaling 450,000m², we have a 15.3GW module and 6GW solar cell capacity.

Who is LESSO?

LESSO is your trusted partner in building a cost-effective, reliable, durable, intelligent, and highly efficient PV storage and charging integrated system. Offering residential off-grid and grid-tie solutions, cutting-edge technology, advanced intelligent manufacturing, and commercial energy storage solutions.

What is LESSO & how does it work?

From 405W-720W, LESSO covers the need of residential, industrial, commercial and utility-scale projects, provides more green energy to customers with full-automatic production lines and advanced technologies. Besides solar modules, energy storage is also an essential part of the PV system.

Where is LESSO located?

LESSO America: Our U.S. branch, based in Corona with four warehouses nationwide, has 15 years of experience in building materials, photovoltaic products, and power plant projects. LESSO Indonesia: Located in Semarang, this branch covers 130 acres and has a 2.4GW production capacity, making it the largest photovoltaic enterprise in Indonesia.

Where can LESSO America deliver TOPcon PV panels?

With a strong distribution network across the U.S. through our four major warehousing centers in California, Michigan, Texas, and Florida, LESSO America has the confidence to ensure the timely delivery of high-quality TOPCon PV panels from coast to coast. Keep providing a better after sales service experience in decades.

During the visit, LESSO Solar's team guided the delegation through the Impression Hall, Yangming Plaza's Space Capsule, and the Wusha Base. The guests were impressed by the cutting-edge production lines and innovative processes, noting that the high-power products align well with South Africa's solar policies and market demands.

Fondata nel 2021, LESSO Solar è cresciuta a un ritmo spettacolare. Entro la fine del 2023 è prevista una capacità globale di oltre 15 GW per i pannelli solari e 6 GW per le celle solari. VISIONE.

LESSO solar Vietnam

LESSO si impegna a costruire un nuovo ecosistema energetico sostenibile per l'uomo con una tecnologia avanzata di energia solare.

Fondata în 2021, LESSO Solar a crescut cu un ritm spectaculos. Așteptati-vă la o capacitate globală de peste 15 GW pentru panouri solare și 6 GW pentru celule solare până la sfârșitul anului 2023. Video companie. Explorează mai mult. Stiri.

On July 7, the groundbreaking ceremony of the LESSO Industrial Base was held in the Jiulong Industrial Park in Longjiang, Shunde, Foshan.
