High Quality and Efficient Solar Energy Products in Puerto Rico. Shop our Lithium Batteries, Portable Solar Power Kit, and Voltage Regulators. Our quality solar products are great for residential and commercial use.

Our High-Performance LFP-10 Max battery is easy to install, safe, and reliable. It provides the lowest lifetime energy cost for both new solar customers and retrofit customers. Fortress Power Lithium Batteries have the industry's most advanced technology with a Battery Management System that integrates multilevel safety concepts:

The LiFePO<sub>4</sub> Lithium Battery 10kwh with LCD Display is designed to optimize residential and commercial solar performance. The innovative LCD Display solar battery offers high-density energy and a built-in Battery Management System that improves functionality and safety. This design is perfect for homes and businesses.

Over conventional lead-acid batteries, Felicity Solar's lithium solar batteries in Puerto Rico provide an enticing array of benefits. Lithium solar batteries give you the ability to attain greater resilience and energy independence due to their longer lifespan, deeper discharge, faster charging, lower weight, and less maintenance.

Puerto Rico: The state of the solar market. Like most territories in the Caribbean Islands, Puerto Rico struggles to provide constant electricity via conventional sources. ... Why Are Lithium-Ion Batteries Better for Solar Products than Lead-Acid Batteries? The lead-acid battery is the oldest rechargeable battery in existence, and it also costs ...

They won't ship batteries, especially lithium ion batteries because of smoke/fire hazard. You should purchase them and then reship them via UPS to someone in PR. Don't put "batteries" or anything like that in the description of what you are shipping. USPS is a mess so paying a premium via UPS ground 5 day is a better option.
