Locally-owned, Customer Focused, Community Involved. Founded in 2006 by Vincent Battaglia, Renova Energy has grown rapidly as the demand for clean, renewable energy and savings from solar and battery storage accelerates, as he predicted in his book; "Cut the Cord; How to Achieve Energy Independence by Joining the Solar-Powered Microgrid Revolution." With more than 350...

The quality solar panels that Renova provides deliver up to a 30-year product and production warranty. Many times, other manufacturers boast a 25-year power warranty but only offer a 10-year or 12-year product warranty. These warranties may also require homeowners to pay for shipping or crew expenses to repair the module if there's a problem.

Sturdee Energy is collaborating with the Frans Indongo Group to build two solar projects in Namibia. Located in Mariental and Kokerboom, these projects will each deliver 10 MW of capacity, adding up to a total of 20 MW. RMB Namibia, serving as the lead arranger, has facilitated the USD 27.98 million investment for the initiative. ...

The Residential Arizona Solar Tax Credit reimburses homeowners 25 percent of the cost of the solar panels, up to \$1,000, right off of personal income tax in the year the system was installed. If the amount of the credit exceeds a taxpayer's liability in the year of installation, the unused portion of the credit may be carried forward for up ...
