This model will allow Solar Tech Africa to install solar power systems on customers' rooftops at no cost and have them sign a 20-year contract to buy electricity generated from the system. This is especially beneficial as solar systems can be expensive, and the agreement will make electricity more accessible to more people.

Naanovo Energy had signed a partnership deal with Zimbabwe in 2019 for a renewable energy project. The plans to kickstart the project last year were disrupted by the pandemic's occurrence that frustrated the arrival of the company's officials to the country. The signing of the partnership deal took place during a British Africa Business Alliance (BABA) ...
