

Niger solplanet ai lb 5k

What is solplanet AI-lb pro low voltage battery?

Solplanet's new Ai-LB Pro low voltage battery series is a cutting-edge solar energy storage solution designed to optimize solar energy utilisation day and night.

What is the solplanet app?

The Solplanet app makes commissioning and monitoring easy. Our powerful and efficient Ai-LB Pro low-voltage batteries boast a maximum discharging rate of up to 1C, ensuring rapid energy deployment precisely when needed. With the ability to expand up to 160 kWh, they offer scalability and flexibility to meet diverse energy needs.

Are solplanet batteries compatible with a hybrid inverter?

The series stands fully compatible with Solplanet's line of hybrid inverters, offering a comprehensive and cohesive solution for advanced energy monitoring and control. Connect and monitor your battery using our mobile app available in the Apple App Store. Connect and monitor your battery using our mobile app available in the Google Play Store.
