What is Pelican Energy Partners?

Pelican Energy Partners is a highly specialized private equity firm focused on making strategic investments in energy services and manufacturing companies.

What does Pelican Energy Partners do?

Pelican Energy Partners conducts regular strategy sessions to help develop and execute strategies, growing either organically or through acquisitions.

How does Pelican identify strong companies?

Pelican Energy Partners identifies strong companies with EBITDA generally between \$1 million and \$15 million annually. We have the ability to consummate transactions with EBITDA up to \$30+million.

What makes Pelican a good investment?

Pelican, in its third fund, has a sophisticated, repeatable process to deliver excellence for investors and portfolio companies. This commitment to excellence aligns with our core values and never taking shortcuts. Pelican's pledge to ESG is also at the core of who we are, and energy's importance to the global economy is acknowledged.

What makes Pelican Energy Partners unique?

At Pelican Energy Partners, we offer an exceptional approach that results in exceptional value. We work with company owners to structure transactions that allow them to realize the current value of their business and remain with the company to experience the professional and financial benefits of subsequent growth.

What is Pelican Energy Partners' EBITDA range?

Pelican Energy Partners targets businesses with EBITDA generally between \$1 million and \$15 million annually, while having the ability to consummate transactions with EBITDA up to \$30+million. We work well with entrepreneurial management teams that demonstrate competitive advantages in a well-defined market segment.
