Powertec Solar Inc. is a division of Powertec Electric Inc., which means, we are an electrical company that does solar, not a solar company trying to do electrical based work. This is an especially important distinction, as work is done by trained electricians educated in professional aspects of great service and dependable work.

Manitoba Solar Rebate Program. Established in April 2022, the Manitoba Solar Rebate Program through Efficiency Manitoba offers rebates to Manitoba homeowners who install grid-tied solar systems to a maximum size of 10kW and \$5,000 per home. Homeowners must apply for this rebate within 90 days after the completion and inspection of a solar system.
