

Saudi Arabia fenecon home

What is fenecon home 20 & 30?

Unique. Efficient. Energy transition. More independence from energy companies and high electricity prices: FENECON Home 20 & 30 is the energy conversion storage system for single and multi-family homes, agriculture and small commercial enterprises.

What is fenecon home 10?

Further details can be found here in advance in the product sheet. More independence from energy companies and high electricity prices: FENECON Home 10 is the energy conversion storage system for single and multi-family homes.

Why should you choose fenecon?

With the large-scale storage systems "Commercial", FENECON offers reliable electricity storage solutions for industry, commerce or energy suppliers. Is ideal for private homes and small businesses with their own PV system and a few e-car charging points. It is 3-phase emergency power capable with solar recharging and skew-load capable.

What is fenecon's 'home' & 'commercial' product series?

With its "Home" product series, the manufacturer FENECON offers an intelligent home storage solution. With the large-scale storage systems "Commercial", FENECON offers reliable electricity storage solutions for industry, commerce or energy suppliers.

Can fenecon home be activated at any time?

Can be activated at any time and combined as desired. FENECON Home works with lithium iron phosphate (LFP) batteries. These cannot have "thermal runaway" even when damaged due to their cell chemistry. A separate battery management system (BMS) is integrated in the battery tower.

What is a fenecon commercial 50?

The FENECON Commercial 50 is aimed at commerce, industry, larger charging parks and also grid operators. With an output of 50 - 250 kW and modularly expandable capacity of 70 - 1,400 kWh, it offers a wide range of applications as an indoor or outdoor variant.

More independence from energy companies and high electricity prices: FENECON Home 20 & 30 is the energy conversion storage system for single and multi-family homes, agriculture and small commercial enterprises.
