

Sint Maarten starting a solar business

How to start a business in St Maarten?

To start a business in St. Maarten, you need to determine if you'll need commercial real estate, obtain necessary licenses, decide on a company structure (e.g., B.V. or N.V.), and ensure tax compliance. Additionally, working with professional services like BrightPath Caribbean can streamline the process.

Can a business entity be incorporated in St Maarten?

In St. Maarten, when it comes to business entities you have a few options that can go from an incorporated business entity to a private fund foundation.

Do you need a business license in Sint Maarten?

When considering starting a business in Sint Maarten, you must first determine if you will need to rent or purchase commercial real estate. Businesses that require an operational license, in addition to a business and managing director license, will need to lease or purchase a commercial property in the name of the business before incorporation.

Can a foreign national incorporate a company in Sint Maarten?

If you are a foreign national incorporating a company in Sint Maarten, most likely you will be doing it with a B.V. or an N.V. which are the equivalents of a Public Limited Liability Company ("PLC") and Private Limited Liability Company ("LLC"), and they tend to be quite similar.

What is the difference between BV and NV in St Maarten?

Both B.V. and N.V. are common business entities in St. Maarten, but they differ in shareholder meeting notification periods, voting rights, and bearer share options. While tax laws apply similarly to both, understanding these distinctions is crucial for foreign nationals looking to incorporate a company in St. Maarten.

What are the main advantages of starting a business in Sint Maarten?
