

Skyking solar Australia

Sky King Solar is a company selling solar panels, inverters, controllers and batteries. And we also offer small solar panel kits for emergency use. Sky King Solar. 712 likes. Sky King Solar is a company selling solar panels, inverters, controllers and batteries.

Normally, you will need some solar panels, an inverter, a controller and some batteries. How big solar panels and inverter should I use? Generally, it depends on the equipments you are going to use. If you just want to use a TV, some lights, we will recommend you at least a 300W system, but 600W will be better.
