Guernsey Electricity and The Little Green Energy Company have been working together on the project, with the 310 photovoltaic panels able to produce 129-kilowatt peak power. Originally, Grow Ltd had planned for a smaller, private array at its headquarters, but the idea grew to become a Guernsey Electricity-owned community solar PV scheme, to ...

Solar water heating systems, or solar thermal systems, use energy from the sun to warm water for storage in a hot water cylinder or thermal store. Because the amount of available solar energy varies throughout the year, a solar water heating system won't provide 100% of the hot water required throughout the year.

Efficient and environmentally friendly, the use of solar PV or solar panels in Guernsey is on the up. A fantastic investment, they are a great way to reduce your carbon footprint and make your home or property more energy efficient ...

Solar panel store Guernsey

The new solar panel arrays have been installed on the roof of Guernsey Waste's facilities building and the reuse store at the Household Waste & Recycling Centre. Together, they contribute 31kW of electricity to the network.

If you are looking to purchase Solar Panels, I would highly recommend A1 Solar store. I did not have much knowledge on Solar Panels and/or the benefits of them. A1 SolarStore customer service and knowledge of their panels was outstanding. My purchase of the Silfab 400W panels was made easy and quick with a pick up location right in my area.
