Who is Renesola BNEF Tier 1?

RENESOLA - Tier 1 leading global photovoltaic solar project developer, EPC, panel manufacturer Q4 Tier 1 announced! Renesola once again on BNEF Tier 1 list! ReneSola Yunnan Base - Automated Intelligent Production Line is about to be put into operation! ReneSola's industrial upgrading, multiple production base project construction accelerated!

Why should you choose Renesola high-efficiency modules?

Advanced module technology, excellent module efficiency, superior power generation performance, applied to ground power stations and distributed projects. Renesola high-efficiency modules can meet the specific needs of customers, distributed systems which is flexible, reliable and easy to install.

Why should you choose Renesola?

Renesola high-efficiency modules can meet the specific needs of customers, distributed systems which is flexible, reliable and easy to install. Renesola provides customers with greater value and creates safe and stable green energy via its strong R&D strength. Why Choose Renesola?

Is Australia a 'clear win' for Solomon Islands?

Director of the Lowy Institute's Pacific Islands program Mihai Sora said the announcement was a "clear win for Solomon Islands, which has gained a much-needed boost to its law and order sector". "It feels more like a Christmas present to Solomon Islands ...but the gains for Australia are less clear cut," he said.
