model. So you can rapidly recharge your solar generator and get the power you need fast. [NEW] DualForce Recharging Technology™. Most solar-powered generators come with solar-charging and wall-charging ports. And typically, you have to ...

The Patriot Power Generator 1800 is a solar power generator that I've often used for power outages in my home. It comes with 2 charging options -- solar panel charging and AC outlet charging (the outlets on the main power grid). This product is a continuation from the Patriot 1500, which famously was recalled because it kept catching fire.
