By combining personal motivation with collective action, we enable thousands to become part of the solution. Climate action is both a necessity and a responsibility.

SunMoney Solar Group, a pioneering force in the renewable energy sector with blockchain technology, made waves at this year's Blockchain Economy Summit Dubai. The event provided invaluable insights and opportunities for the company, and we had the privilege of interviewing Peter Bahorecz, Chief Networking Officer at SunMoney Solar Group.

The initial solar share of the fund is 1,000,000 watts, which is growing steadily because all the revenue generated by the fund is used to purchase additional solar shares. The fund's revenue is mainly derived from the solar shares (which is the amount received from the generation and sale of electricity) and the expansion of the program.
