

Sunotec group Heard and McDonald Islands

Who is sunotec?

At SUNOTEC we offer expertly integrated solar solutions, activated international expertise, and a lived commitment to resource efficiency and business reliability to all our partners. Founded in 2012, the company has completed more than 580 ground-mounted PV installations with a capacity of over 8.2 gigawatts.

Where are Heard Island and McDonald Islands located?

The islands are a territory (Territory of Heard Island and McDonald Islands) of Australia administered from Hobart by the Australian Antarctic Division of the Australian Department of Climate Change, Energy, the Environment and Water.

Who are sunotec & Huawei Technologies Bulgaria EOOD?

SUNOTEC & Huawei Technologies Bulgaria EOOD have signed a MoU in Shenzhen/China. Strengthening cooperation, they will supply cutting-edge battery energy storage systems to Bulgaria.

Why is the Heard & McDonald Islands important?

It is the biggest contribution to ocean conservation anywhere on the planet this year. The Heard and McDonald Islands marine reserve will quadruple in size, an increase of almost 310,000 km² - an area larger than Italy - and will provide greater protections for an environment unlike anywhere else in the world.

Who discovered the McDonald Islands?

He reported the discovery one month later and had the island named after him. [11] His wife Fidelia Heard provided the first written description and drawings of the island. [12] [13] William McDonald aboard the Samarang discovered the nearby McDonald Islands six weeks later, on 4 January 1854.

Founded in 2012 as a traditional subcontractor focusing on the assembly of photovoltaic systems, nowadays SUNOTEC has evolved to become an international group of companies with more than 500 employees.

An alliance of 27 environmental groups* today welcomed the expansion of Australia's Heard Island and McDonald Islands Marine Reserve near Antarctica, but said the ...
