

Sunrgy solar distribution Cuba

Who is sunrgy solar distribution?

Sunrgy Solar Distribution carries a wide range of solar & electrical products to make sure we provide the best products on the market. We are continuously adding new lines of products for any size project. We are all about assisting our clients in the growth process.

How much solar energy is installed in Cuba?

The installed solar energy generating capacity in Cuba is around 3 megawatts, or 0.07 % of the total installed capacity. And there are several projects underway to increase this percentage, although costs remain a serious obstacle. Increase in energy production from solar devices in Cuba since 2001:
