Mr. Ahmed has played a pivotal role in shaping SunSync Energy into a prominent player in the energy storage solutions sector, not only in Bangladesh ...

Tech shield is VSP and you can only use vsp products with each other. I ALWAYS recommend crizal over techshield and poly lens material naturally filters some blue light (UV filtering properties). Blue light filtering doesn't really have any benefit. It's more of a preference as it makes whites a bit yellow-tinged so they aren't as harsh.
