What is Masdar MW energy doing in Tajikistan?

Image: Masdar MW Energy has signed a memorandum of understanding with Tajikistan's Ministry of Energy and Water Resources to develop 500MW of renewable power projects in the country, which will include ground-mounted and floating solar projects.

What does the Dushanbe International Investment Forum mean for Tajikistan?

It signed the agreement with the Tajikistan government at the Dushanbe International Investment Forum, held last week in the Tajikistani capital, which will see both parties work together in public-private partnerships to develop new renewable energy projects in the country.

Arriving in the Murghab district of Tajikistan's Pamir region feels like one may have landed on the far side of the moon. The Pamir Mountains are among the highest in the world, and home to remote villages and communities living above 3,600 meters/11,800 feet. The area is dry, arid, and bitterly cold. Temperatures between November and March regularly plummet to -50 degrees ...

I would HIGHLY recommend Alan and SoCal Solar Brokers to anyone considering Solar. Scott and Kelly Brunn. My wife and I were so happy with the experience from our first meeting with Alan until we turned on the switch and started saving over \$200 per month. I will recommend Alan to anyone I meet who might even be thinking about Solar!!

Solar panels in Dushanbe. Photo: CABAR . Tajikistan is one of the most vulnerable to climate change countries. Rising temperatures led to glacial melting and changes in precipitation patterns. This is becoming an acute problem for the country's hydropower system, which produces more than 95% of the country's electric power.
