At Hello Solar, we only have the best technology - Even battery ready solar inverters to future proof your investment. Better yet, take advantage of our solar battery deals today and save money all day and night. Same Equipment, Same Warranty, Lowest Price!

Hello Solar sent a subcontractor our to install a new inverter that wasn't needed and not only that, he stomped on the near new corrugated sheeting of my pergola and has damaged it, causing major water downfall over the guttering onto my veranda. So not only do I still have a solar system only running at half capacity but a damaged pergola roof.
