Cotswold Energy installed an air source... Cotswold Energy installed an air source heat pump into our house. They provide a brilliant service, from a very informative proposal with lots of helpful details, through the works when the lads fitting the system worked really hard to get the system in before the RHI incentive ended.

Cotswold Energy Group LTD.. Are a good company to deal with. They give expert advice, effective solutions. Very helpful. Ontime and very polite. I was really impressed with how neat and tidy their work is. A company to be recommended, especially if you are uncertain which products are the best for your house..

Cotswold Energy Group Ltd (CEG) replaced my old gas boiler gravity-fed system with a mains-pressure ASHP system. That included both a unit that utilises the spare energy from our solar panels to heat the water, and a monitoring system (MMSP) that provides historical information on how the system is performing.
