Vanuatu victronenergy

Victron Energy Phoenix Inverter Features SinusMax - Superior engineering Developed for professional duty, the Phoenix range of inverters is suitable for the widest range of applications. The design criteria have been to produce a true sine wave inverter with optimized efficiency but without compromise in performance.

Yeah, thanks. I understand what you've done and realise that it's better than what I'm going for but I live in Vanuatu and ordering things online isn't as easy it is for most. The charge controller is in a cabinet and noise won't be an issue so it doesn't make a difference if it's running when it doesn't need to and 8 hours of ...
